

NORTH CAROLINA FOUNDATION BAR ASSOCIATION

Dear ACLEA Member:

We are writing to share with you an exciting and timely program that is presented by a dynamic speaker. If you are like us, you struggle to find new ways to present ethics and professionalism in a fun and informative way. We found a wonderful source right under our noses!

James H. Early, Jr. is an attorney in Winston-Salem, NC with thirty-plus years of practice and is chair of our Lawyer Effectiveness and Quality of Life Committee and is also a member of our CLE Practical Skills Curriculum Committee. Jim is a member of the North Carolina Academy of Trial Lawyers; American Trial Lawyer's Association; the Forsyth County Bar and numerous civic organizations. He was one of the first Certified Mediators and has authored numerous articles for **North Carolina Lawyer and North Carolina Lawyer's Weekly**. Jim received his BA, LLB, and JD degrees from Wake Forest University.

Jim's most popular presentation "Ethics: More Than A Line In The Sand" goes beyond the traditional continuing legal education discussion of ethics and professionalism to assist the practitioner in dealing with those practices, habits, and attitudes which can seriously affect a lawyer's competence and professionalism. Jim can tailor this presentation from one to three hours, and it can be integrated into an existing program or presented on its own.

Here's what some of our members had to say about his program:

"The practical advice provided answers to life problems. Jim's down-home, honest presentation style works."

"Early's easy, knowledgeable manner and obvious passion for the subject matter really comes through."

"The program was wonderful and every lawyer needs to attend!"

While we can't send Jim to you in an envelope, his presentation is available on videotape for you to preview. If you are interested, please contact Jim at 336-768-2546. If you have any questions, please give us a call.

Sincerely,

Sally Davis
